

## **Speedo is not shipping!**

Please be aware that Speedo is moving its warehouse and has not shipped solid suits and many other items since the beginning of July. They will not begin shipping again until the *beginning of November*.

The good news is that we do have solid suits and other items from Nike, Arena, Dolfin, and TYR. We will make sure your swimmer has a suit and equipment for this swim season.

We have contacted coaches and team administrators to make all aware of the possibility of having to use other swim suit manufacturers.

Please help us out with your understanding and willingness to be flexible.

Thank you!
